

## What's Next?

We are conscious that some people may wish to continue their leadership development beyond this course. We hope we all will want that.

As leaders, we want you to feel released to refresh and possibly even think about whether you might lead in a different way or with a different ministry at St Mary's. You might reflect on that and if you want to have a conversation with one of the church leaders, please do so. We want you to be free to exercise leadership as the Spirit leads us together. Please chat to us as this is something we would love to discern together.

If you have any questions, please contact Malcolm Macdonald
